WHAT AN ENDORSEMENT MEANS:

Your Political Education Committee and Local Union representatives (usually Delegates, Executive Board members, and appointed representatives) have participated in the endorsement processes at the local level through the San Diego County Building & Construction Trades Council and/or the San Diego & Imperial Counties Labor Council, as well as at the state level through the California State Building Trades Council and/or the California Labor Federation. These processes include researching the candidates and ballot measures, interviewing candidates and issues. The Delegates and Executive Board bodies vote to determine whether a candidate or ballot measure should receive a labor endorsement. Candidates must demonstrate with their past voting histories (if an incumbent or former elected official) and/or by completing a detailed questionnaire that they support the values and work of labor unions and their members.

If there is a race or issue that is not on this flyer, but is on your ballot, it means candidates or advocates for the issue did not seek or receive an endorsement from the Political Education Committee of Local Union #230, San Diego Building Trades Council or the San Diego, and/or Imperial Counties Labor Councils.
