

INTERESTED IN THE UA LOCAL 230 HVAC APPRENTICE PROGRAM?

Our HVAC Apprenticeship Program is sponsorship based. This means you would need to apply directly with Local 230 HVAC Signatory Contractors & once you meet their qualifications or requirements, the contractor will provide a letter to the Apprentice Office stating that they are sponsoring you into the program. You can find a list of those contractors on the Local 230 Website, under the Contractor's tab.

Please email your resume to our HVAC Business Representative, John Bennett, and let him know you are interested in joining the Union for HVAC.

**John Bennett
HVAC Business Representative
John@UALocal230.org**

Additional questions, please call Kimmi Acosta at the Apprentice Office at 619-262-7589.
